NATIONAL RANGE AND PASTURE HANDBOOK (NRPH)  
190-VI-NRPH  
Supplement MO-5

SUBJECT: ECS – Prescribed Burning

Purpose: To transmit an update to the Missouri policy for job approval requirements for prescribed burning.

Effective Date: This information is effective upon receipt.

Explanation: A new “Level A” job approval authority has been added for prescribed burning. This is the minimum level of training required for any NRCS employee who discusses prescribed burning as an alternative with a landowner or incorporates prescribed burning as a practice in a conservation plan. In addition, a standardized electronic format for tracking job approvals has been established for use in the state.
